League Play

- January 13th – March 16th, 2020
- \$400 per two-man team/\$200 per player. Price includes a Mitchell Golf t-shirt, playing time and prize pool entry.
- 9-holes weekly.
- Stableford scoring with handicaps.
- Verified handicap will be required to play.
- Each player must register and pay online at <https://www.mitchellgolf.com/shop/classes/mitchell-golf-winter-league/>. During registration, you will be required to agree to a waiver of liability. Be sure to note your partner's name on the registration form. If you need a partner, we will do our best to pair you with someone.

Tee Times Are Required For All League Play

- Visit <https://www.schedulicity.com/scheduling/MGPQPC/classes> to reserve your tee time. You may schedule your tee time weekly or as far in advance as you'd like. The earlier you reserve your time, the more likely you are to get your preferred time.

Simulator Rules

- All players will use the tees and Bridgestone golf balls provided at Mitchell Golf Performance Studio.
- Please make sure your golf clubs are clean to help keep our golf balls and screen clean.
- Footwear: clean and dry tennis shoes or spikeless golf shoes.
- No food or drink on the green.
- No alcohol is permitted in our facility.
- Only hit from the designated hitting area.
- Must be at least 12 years of age to play.
- Do not touch, move or use any of the machines and tools in the building.
- Please be aware of your surroundings. Always use caution, especially when someone is swinging a club and when walking back and forth to the restroom. Tees will fly out of the hitting area so, always PAY ATTENTION.

Teams

- Teams will be made up of two players.
- Each team will play one 9-hole round per week. League rounds may be played at any time but must be completed by the deadline provided. Example: Week 1 matches begin January 13th, 2020. Matches must be completed between Monday, January 13th and Sunday, January 19th.
- Each player may use the range for up to 5 minutes to warm up.
- Teams must complete their 9-hole round in under 1.5 hours. That is 10-minutes per hole (5 minutes per player per hole). You are responsible for keeping up your pace and play.

Matches

- (1) 9-hole match will be scheduled each week.
- Each week, a course and back or front nine will be designated (see weekly scorecard).
- Variables (pins, green speed) will be set by the starter for each week (see scorecard).
- Players can play as far as 2 rounds ahead. Example: Gregory needs to go out of town for two weeks. He could play those rounds before he leaves to stay current. He could not miss those rounds and make them up after those rounds are closed.

Score Reporting

- You are required to write your score down on a weekly scorecard.
- At the end of the round, your scorecard will be printed, and you must sign it before you leave.

Mulligans

- One mulligan allowed per round on a designated hole (see weekly scorecard).

Scoring/Format

- Each team will consist of two players.
- We will use stableford scoring with handicaps.
- We will play using automatic putting. Once your ball is on the green, the simulator will add 1-2 strokes automatically based on the distance to the pin.
- All shots must be played from the proper mat. If a shot is played from an incorrect mat, the player is subject to a 2-stroke penalty.
- USGA rules of golf practiced were applicable.

Prizes

- Prize pool will depend on the final size of the league.
- If there is a full field, the prizes will be awarded to 1st, 2nd, 7th, 8th, 15th and 16th place teams.
- The first player to get a hole-in-one over the course of 10 weeks will win a single free registration pass for the 2021 Mitchell Golf Winter League.
- End of league open house party with closest to the pin contest. Date to be determined.

** League rules are subject to change and final decision is up to Mitchell Golf Equipment management **

Always Great Courses, Great Weather, And A Great Way To Spend An Afternoon: The Mitchell Golf Performance Studio

Immerse yourself in a golf experience that is weatherproof but far from wonder-proof! The new Mitchell Golf Performance Studio is now open to the delight of mid-Michigan golfers. It's a great way to experience a virtual world of amazing golf at some of the most famous and breathtaking courses around. It's also a fun and fantastic opportunity to adjust your game to see positive results when you do get back out on an actual course!

Located in the heart of historic Downtown Albion, Michigan and just steps from the brand new Courtyard by Marriott, The Mitchell Golf Performance Studio lets you stay connected to the game you love with the most realistic golf simulation ever. Test your skills against the breathtaking beauty of Pebble Beach Golf Links® – one of the game's most beautiful and challenging courses and five-time host of the U.S. Open. All faithfully reproduced in stunning 4K resolution!

The courses featured on the Foresight Golf Simulator are some of the most popular courses around, so a short drive to Albion lets you test your long drives at courses you might never experience otherwise.

Another great feature is the accuracy and realism of ball flight thanks to the utilization of the GCQuad Launch Monitor, the only monitor in the industry to utilize Quadrascopic imaging. It provides the most detailed picture of ball and club head performance to give an extremely reliable 3D representation of every shot you take, just as you would experience it on a real course.
